DANCE CLASS DRESS CODE & SHOE LIST 2024-2025

*Please remember for class time, students do not need to have the exact color shoe as listed below. As long as they have the correct TYPE of shoe for each class, that is acceptable. For example, if your child's current tap shoes still fit but they are white and we list tan, please do not worry about purchasing new ones just for their class time. Your child may wear their current shoes as long as they still fit. However, the shoes listed below are required for our dance recital in May.

*Please be advised that dress codes are enforced by teachers and staff members. Students may not wear jewelry, pajamas, swimsuits, shirts with vulgar images or profanity on them, half shirts (baring midriff), or oversized pants or shirts.

Students should come to class ready to dance! Thank you in advance!
