Welcome to the Live, Love, Dance Studio. It is the studio's belief that whether you are a beginner, a serious-minded dancer or just here to have fun...we have a place for you! It is our mission that a love of dance will be instilled in each student that we teach. The studio's focus for pre-school and kindergarten is to introduce dance in a fun and energetic spirit. Children will learn how to move in new and interesting ways, interacting with other children, thus forming the basics of dance. Intermediate through advanced classes will feature a focus on technique, strength and flexibility while exploring the potential and individuality of each dancer.

Our goal at the Live, Love, Dance Studio is to provide each student with a solid dance foundation while inspiring and motivating students to their highest potential. We do this all in a positive atmosphere. Our diverse faculty brings their unique and special passion to each class. Dancers will gain a sense of accomplishment, confidence and pride from seeing the results of their hard work and an appreciation for the art of dance that will last a lifetime. We look forward to inviting you into our dance family!

Please read the following information carefully as it describes studio policies. We aim to ensure that your child receives the maximum benefits possible in dance education!

A positive and supportive attitude is expected from all students and their parents. LLDS is not responsible for students left unattended and/or personal belongings

Competition Team & Hip Hop Crew

Dancers who wish to pursue their training to the competitive level should let their teachers know! Specific technical and performance requirements must be achieved. Students are accepted by audition and /or teacher recommendation.

LLDS Dance Company

Students can be part of a fun and exciting dance company that performs for our local community, open houses, recital and more! You must sign up by Oct. 1st each year. No auditions. Student must take 3 dance classes per week.

Class Cancellations

In the event of inclement weather, we will be following The Carver Public School System. Cancellation information will also be emailed to each class and updated on our studio FB page

Holidays and School Vacations

The studio will be closed for the following scheduled school vacations: Christmas, February & April. We do not close for teacher professional days. A list of dates when the studio is closed throughout the year will be provided.

Class Placement

Through the first few months we will be keeping a close eye on dancers to be sure they are in the class that best benefits their ability level. Students will be grouped into classes according to their age & ability level.

Level Ballet Program

Our Level Ballet Program will allow students to develop their fundamental core of classical ballet at their own pace. Each student from Primary 2 & 3 and Teen Classes, as well as all Competition Team members, will be placed in the proper ballet class dependent upon their ability rather than age.

Recital

It is our tradition to host an annual performance at the close of the dance year in May. We plan on holding a recital either indoors or outdoors so our students can perform and show family and friends how hard they have worked. This is a fun and exciting event with beautiful and always tasteful costumes! Any student who chooses not to be in the recital, must inform the studio by the 1st of November. The studio will also inform parents with more detailed information as the recital approaches. Tuition and costume balances must be paid in full in order to participate in the recital. The Recital takes place the weekend of May 20th, 2023. Tickets go on sale in late April.

Attendance

Students must make every effort to attend scheduled classes. Students need to arrive to dance class on time and ready to dance. Continued tardiness/absences will result in dismissal from class. It is of the utmost importance that students attend class during recital time, (January - May) when choreography relies on the entire class. In the event of excessive absences, the studio will need to have a conference with parents and dancers may be excluded from the recital, no refunds on costumes.

Tuition Rates

Tuition payments are due the first lesson each month, despite class cancellations due to weather or school vacation weeks.

There will be a late charge of \$15 added to any tuition payment made after the 15th of the month and a \$20 charge on returned checks. Dance tuition is split up into equal payments for 9 months. A full month of tuition is due every month, September through May. Monthly tuition is based on the average of 3 weeks of dance classes/month.
