

# LIVE, LOVE, DANCE STUDIO

## HEALTH AND SAFETY PRIORITIES 2021

### PROTECTING OUR STUDENTS:

- Our building uses HEPA & Merv-8 Filters in our HVAC system.
- Doors to each studio will remain open when possible. Our studio's natural high ceilings also help assist with air movement.
- Staff will disinfect high touch surfaces and entry points before and after each class. Entire studio is deep cleaned 1x/week.
- Social Distancing: Colored floor tape indicates a 6' dancing box for students in each studio room.
- A few class times have shifted to allow time for students to move in and out safely.
- Portable Air Purifiers will run continuously in each studio room and hallways
- Face masks (for kindergarten age and up) are required while in the hallways and common areas.

### WHAT HAPPENS DURING CLASSES:

- Face Masks are optional for all students & staff while in the studio rooms. Masks are required for everyone (kindergarten and up) while in our hallways. We will adjust this policy in accordance with any issues or state mandates that may arise.
- Dancers will be asked to use hand sanitizer before and after each class.
- Please do not arrive more than 5 min before class start time.
- Arrive dressed for dance class. Students may be directed to a specific cubby area.
- Dancers with back to back classes, will bring their dance bag with all shoes & water bottle into the studio room and place in a designated area.
- There is NO eating inside the building.

### DROP OFF & PICK UP 1ST GRADE+:

- Students in First Grade and up will be dropped off and picked up at the main studio door.
- At pick up, please park your car in a parking space and not the Fire Lane. If your child is 9 and under, please come to the front door to collect your child. Arrive on time for pick up.
- Students will line up inside, on the socially distanced hallway floor markers and wait until their teacher calls them into the studio dance room.

### \*IMPORTANT NOTES\* FOR PARENTS:

- Our waiting room and hallways are closed to anyone other than staff, students with class or parents that have administrative business. The exception is Tiny Tots, Creative Movement & Kinderdance Classes (ages 2-5): 1 guardian may remain in the studio hallway during child's class time. Masks required.
- Label all of your students items: Water bottle, Dance Bag, Dance Shoes and Jacket.
- Please make sure your child is dressed, with hair done prior to dance class.
- Parents of Kinderdance students thru 8 years old are strongly encouraged to wait in their cars in our parking lot in case their dancer has any separation or behavior issues or needs assistance.
- Parents are expected to screen their own dancers for COVID-19

Please see our Covid Sick Policy for important policies & information

HELP US STAY SAFE!
